1. **CONSIDER A RESOLUTION FIXING DATE FOR A MEETING ON THE AUTHORIZATION OF A LOAN AGREEMENT AND THE ISSUANCE OF NOT TO EXCEED \$17,750,000 SEWER REVENUE REFUNDING CAPITAL LOAN NOTES, SERIES 2010, OF THE CITY OF IOWA CITY, STATE OF IOWA, AND PROVIDING FOR PUBLICATION OF NOTICE THEREOF.**

Comment: This resolution sets a public hearing for 7:00 pm on March 2, 2010 to receive public comment regarding the issuance of up to \$17,750,000 Sewer Revenue Refunding Capital Loan Notes and authorizes the City Clerk to publish the notice of hearing. Note proceeds will be used to pay costs of the refunding of outstanding sewer revenue indebtedness, including the Series 2001 and 2002 Sewer Revenue Bonds. Refunding these bond issues early will result in anticipated savings of approximately \$500,000.

2. **CONSIDER A RESOLUTION SETTING A PUBLIC HEARING ON MARCH 2, 2010 ON PLANS, SPECIFICATIONS, FORM OF CONTRACT, AND ESTIMATE OF COST FOR THE CONSTRUCTION OF THE EAST SIDE RECYCLING CENTER PROJECT, DIRECTING CITY CLERK TO PUBLISH NOTICE OF SAID HEARING, AND DIRECTING THE CITY ENGINEER TO PLACE SAID PLANS ON FILE FOR PUBLIC INSPECTION.**

Comment: The Project will involve two bid packages with new construction, additions and renovations at 2401 Scott Blvd., Iowa City, Iowa. Bid package one will be for a 20,300 square foot addition and renovation to the existing building currently housing Habitat ReStore. There will also be a separate structure that will accommodate a motor oil recycling drop off, a wood chip and compost pick-up station. Additionally within bid package one is the construction of a salt storage building and a bulk-water distribution station. Bid package two will be the construction of a new 2,250 square foot Environmental Education Center; the structure is targeted for Platinum LEED Certification. Both bid packages include site work, general building construction, mechanical systems, and electrical systems. Use of a ground-source heat pump system, photovoltaic fixtures and wind generated power will be incorporated into the mechanical and electrical packages. The estimated construction cost is for Bid Package No. 1 is \$3,091,000 and for Bid Package No. 2 is \$1,350,000 for a total of \$4,441,000. In addition, an alternate bid will be included for Bioswale site work and the estimated cost is \$278,500. The project will be funded with Landfill User Fees.

3. **CONSIDER A RESOLUTION AUTHORIZING MAILING AND PUBLICATION OF NOTICE OF INTENT TO COMMENCE PUBLIC IMPROVEMENT PROJECT TO CONSTRUCT THE 2010 SIDEWALK INFILL PROJECT AND TO ACQUIRE PROPERTY FOR THE PROJECT; AND SETTING DATE OF PUBLIC HEARING FOR MARCH 23, 2010.**

Comment: The City of Iowa City must acquire temporary construction easements to construct the 2010 Sidewalk Infill Project. State law requires the city to give notice to agricultural property owners whose properties may be affected. This notice will notify all potentially affected property owners of the opportunity to present their views on the project and proposed acquisition of property rights at the public hearing. The notice protects the City's right to condemn if necessary. This project involves construction of an 8' wide sidewalk along the south side of Rochester Avenue from Larch Lane to Amhurst Street, construction of a 4' wide sidewalk along the east side of Dubuque Road from North Dodge Street to Bristol Drive, and on the west side of Bristol Drive to the proposed sidewalk along Dubuque Road.

e) **Resolutions.**1. **CONSIDER A RESOLUTION ACCEPTING THE WORK FOR THE PUBLIC WORKS SALT STORAGE FACILITY PROJECT.**

Comment: The project has been completed in substantial accordance with the plans and specifications. The Engineer's Report and Performance and Payment bonds are on file with the City Engineer. Staff memorandum and Engineer's report included in Council packet.

2. **CONSIDER A RESOLUTION AUTHORIZING THE MAYOR TO SIGN AND THE CITY CLERK TO ATTEST A RENEWAL OF A LICENSE AGREEMENT FOR TEMPORARY USE OF PUBLIC RIGHT-OF-WAY BETWEEN THE CITY OF IOWA CITY, LANDOWNER WILLIAM AND HELEN BYINGTON, AND TENANT LITTLE DONKEYS, INC. D/B/A PANCHERO'S MEXICAN GRILL, FOR A SIDEWALK CAFE.**

Comment: William and Helen Byington, as landowner, and Little Donkeys, Inc., d/b/a as Pancharo's Mexican Grill, seek a renewal of a license agreement for temporary use of public right-of-way at 32 S. Clinton Street, Iowa City, Iowa for a sidewalk cafe. City staff and Design Review have reviewed the plans and specifications and required submittals and recommend approval of said agreement.

ITEM 8. PUBLIC HEARING TO DISCUSS THE PROPOSED OPERATING BUDGET FOR THE FISCAL YEAR JULY 1, 2010, THROUGH JUNE 30, 2011, THE PROPOSED THREE-YEAR FINANCIAL PLAN FOR FY2011 – 2013, AND ALSO THE MULTI-YEAR CAPITAL IMPROVEMENTS PROGRAM THROUGH FISCAL YEAR 2014.

Comment: Public hearing to discuss the FY2011 Proposed Operating Budget, the Three-Year Financial Plan for FY2011 – 2013 and multi-year Capital Improvements Program (CIP) through FY2014. Resolutions to adopt the annual operating budget, three-year financial plan and multi-year capital improvement program are scheduled for March 2, 2010. Correspondence included in Council Packet.

ITEM 9. CONSIDER AN ORDINANCE AMENDING TITLE 12, ENTITLED “FRANCHISES”, SECTIONS 12-5-1 ENTITLED “ELECTRIC FRANCHISE FEE” AND 12-5-2 ENTITLED “GAS FRANCHISE FEE” TO REPEAL THE TWO PERCENT (2%) FRANCHISE FEE AND ENACT A ONE PERCENT (1%) FRANCHISE FEE ON THE GROSS REVENUE OF THE FRANCHISEE MIDAMERICAN ENERGY COMPANY DERIVED FROM THE DISTRIBUTION AND RETAIL SALE OF ELECTRICITY AND THE DISTRIBUTION, DELIVERY AND RETAIL SALE OF NATURAL GAS BY MIDAMERICAN, OR OTHER NATURAL GAS PROVIDERS UTILIZING THE DISTRIBUTION SYSTEM OF MIDAMERICAN, TO CUSTOMERS WITHIN THE CURRENT OR FUTURE CORPORATE LIMITS OF THE CITY OF IOWA CITY. (SECOND CONSIDERATION)

Comment: Iowa City’s current gas and electric franchises with MidAmerican Energy Company reserve to the City the right to impose a franchise fee on MidAmerican’s gross revenue from the sale of electricity and natural gas. Senate File 478 enacted by the state legislature during the 2009 session legalized such a franchise fee. By Ordinance No. 09-4374 the City Council adopted a 2% franchise fee. In accordance with Council direction the proposed ordinance repeals the 2% franchise fee and enacts a 1% franchise fee. No change is being made to the revenue purpose statement included in Ordinance No. 09-4374 and codified at Section 12-5-4 City Code but said purpose statement will be republished as required by SF 478. The City’s franchise agreement with MidAmerican Energy requires 90 days notice of any franchise fee put into effect by the City. The proposed ordinance makes the 1% franchise fee effective June 1, 2010 which will require final reading and publication of the ordinance by the end of February, 2010. Therefore, expedited consideration is recommended.

ITEM 10. CONSIDER AN ORDINANCE AMENDING TITLE 5, ENTITLED "BUSINESS AND LICENSE REGULATIONS," CHAPTER 2, ENTITLED "TAXICABS," TO PROHIBIT ELECTRONIC SIGNS ON TAXICABS AND TO CLARIFY VEHICLE INSPECTION REQUIREMENTS. (SECOND CONSIDERATION)

Comment: A taxicab company recently inquired whether it could place an electronic sign on the top of the vehicle roof to sell advertising. The City Code does not prohibit these signs, and although the state code prohibits "flashing lights" on vehicles, it does not define that term. In the opinion of the County Attorney, the electric sign in question is a flashing light under the state code but cautioned that a judge may disagree. Staff believes that these electronic signs are a distraction and recommends that the City specifically prohibit them on taxis. The proposed definitions of electronic and automated signs are identical to their definitions in the zoning code. The proposed ordinance also clarifies that no taxicab can pass inspection without complying with the City Code and the equipment requirements under the state code. Staff requests expedited action.

Action: _____

ITEM 11. CONSIDER A RESOLUTION ADOPTING THE IOWA CITY 2010 HAZARD MITIGATION PLAN.

Comment: This resolution adopts the Iowa City 2010 Hazard Mitigation Plan. This plan will enable Iowa City to be eligible for FEMA Hazard Mitigation Grant Funding. The funding of the HMGP Buyout Program and the Hazard Mitigation Project for the protection of the water source wells is contingent upon the adoption of a Hazard Mitigation Plan by the City of Iowa City.

Action: _____

ITEM 12. CONSIDER A RESOLUTION ADOPTING AN ASSESSMENT SCHEDULE OF UNPAID MOWING, CLEAN-UP OF PROPERTY, SNOW REMOVAL, SIDEWALK REPAIR, AND STOP BOX REPAIR CHARGES AND DIRECTING THE CLERK TO CERTIFY THE SAME TO THE JOHNSON COUNTY TREASURER FOR COLLECTION IN THE SAME MANNER AS PROPERTY TAXES.

Comment: The City has the authority under Iowa Code §364.13B to assess the nuisance abatement costs in the same manner as a property tax. This resolution allows the City Clerk to certify to the Johnson County Treasurer the abatement cost to be assessed against the property. This assessment is being pursued only after the City took many steps to resolve the matter. The City notified the home owners to abate the nuisance (for example, to remove snow from the sidewalk) and after the home owner did not take action to abate the nuisance, the City abated the nuisance and billed the owner. After being billed at least twice, these owners still have not paid the abatement costs. The City has sent a letter to the home owner giving them notice that this resolution would be on the agenda, a copy of which is attached to the resolution. No interest will be charged if the owner pays within 30 days of the first required publication. Attached as an exhibit to the resolution is a list of the properties that will be assessed and the amount that will be assessed.

Action: _____

ITEM 13. CONSIDER A MOTION TO APPROVE A TENTATIVE AGREEMENT BETWEEN THE CITY OF IOWA CITY AND THE IOWA CITY ASSOCIATION OF PROFESSIONAL FIREFIGHTERS.

Comment: This is a three-year agreement for Fiscal Years 2011, 2012, and 2013 which provides for a split wage increase of 1.35 percent and 1.5 percent in each of the three years. It also provides for a premium contribution for single health insurance and increases to the health insurance deductible and out of pocket maximum in each year. It also includes payment for certified Hazardous Materials Technicians.

ITEM 14. CONSIDER A MOTION TO APPROVE A TENTATIVE AGREEMENT BETWEEN THE CITY OF IOWA CITY AND THE POLICE LABOR RELATIONS ORGANIZATION OF IOWA CITY.

It also provides for a premium contribution for single health insurance and increases to the health insurance deductible and out of pocket maximum in each year. Other changes include language updates related to longevity pay, side letters, employee discipline records, vacation carryover, and potential change of the pay period.

ITEM 16. CONSIDER A RESOLUTION REPEALING RESOLUTION NO. 01-169 AND REQUIRING THAT CITY COUNCIL APPOINTEES VOTE IN ACCORDANCE WITH CITY COUNCIL POLICY AS ESTABLISHED BY MOTION, RESOLUTION, OR ORDINANCE UNLESS A MAJORITY OF COUNCIL MEMBERS CHOOSE TO VOTE OTHERWISE AT A PUBLIC MEETING OF THE BODY TO WHICH THE APPOINTMENT IS MADE.

Comment: City Council appoints council members to serve as Council’s representatives to other organizations or entities such as Johnson County Council of Governments. Resolution No. 01-169 requires that said appointees vote in accordance with the formal actions of the City Council as established by motion, resolution or ordinance. Council has indicated a desire to provide that a majority of Council members may vote to change a formal action by Council while attending a public meeting of the body to which they are appointed. This resolution repeals Resolution No 01-169 and provides for this contingency. The general policy of requiring City Council appointees to vote in accordance with formal Council actions and the provisions for removal of a Council appointee who fails to vote accordingly are otherwise unchanged.

Action: _____

ITEM 17. CONSIDER A RESOLUTION ESTABLISHING A RULE FOR ELECTRONIC PARTICIPATION IN CITY COUNCIL MEETINGS
