

12-month/12-mile loop

This 12-mile triangular route offers an option for year round use via the North Ridge/North Liberty Trail, N Dubuque St, and Oakdale Blvd. While the trail south of Forevergreen Road is NOT plowed during the winter months, Ridgeway Drive and University Ct/Pkwy offer a low-volume on-street connection to the Oakdale Blvd sidepath. You can also use the sidepaths on Forevergreen Rd and 12th Avenue for a snow route. All routes shown are plowed except for those indicated with a **red glow**. No matter which route you take it is approximately 12 miles.

- Paved Trail
- Sidepath/wide sidewalk
- On-street route
- Unplowed trail section
- Unpaved trail
