

Favorite shortcut!

A hidden shortcut, between Melrose Avenue and the Iowa River Trail or Benton Street, passes through a wooded ravine that feels almost like you are out of the city and in a park. The hillside on the east edge of the parking lot has a lovely view of the river and the cityscape to the east.

- Trail
- Short cut
- Bike Lane
- Bikeway/low volume street ideal for biking.
- The Myrtle-Greenwood Bikeway offers a low-stress alternative to a busy section of W Benton Street

Bike lanes coming to West Benton St, from Greenwood Dr to Mormon Trek Blvd, in 2021

Great view of the river from this hillside.

Newly signaled intersection with median and crosswalk.
