"Proposal date" as referenced herein shall mean the local date and time specified in the proposal documents.

A. CONDITIONS FOR PROPOSING

1. NO CONTACT POLICY. After the date and time established for receipt of proposals by the City, any contact initiated by the Proposer or by a City representative, other than the Purchasing Division representative listed herein, concerning this Request for Proposal is prohibited. 9. COMPETENCY OF PROPOSER. No proposal may be accepted from or contract awarded to any person, firm or corporation that is in arrears or in default to the City of Iowa City upon any debt or contract. Prior failure of a Proposer to perform faithfully on any previous contract or work for the City may be grounds for rejection. If requested, the Proposer shall present evidence of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these proposal documents; such evidence shall be presented within a specified time and to the satisfaction of the City.
10. COLLUSIVE PROPOSING. 11. OFFICERS NOT TO BENEFIT. Upon signing this agreement, Consultant acknowledges that Section 362.5 of the Iowa Code prohibits a City officer or employee from having an interest in a contract with the City, and certifies that no employee or officer of the City, which includes members of the City Council and City boards and commissions, has an interest, either direct or indirect, in this agreement, that does not fall within the exceptions to said statutory provision enumerated in Section 362.5
12. EQUAL EMPLOYMENT OPPORTUNITY. All Proposers are subject to and must comply with the provisions of the City's EEO policy and applicable local, state and federal antidiscrimination laws. The amount of the check, draft or bond shall not constitute a limitation upon the right of the City of Iowa City, Iowa, to recover for the full amount of such damage.

Security deposits of the lowest two (2) or more Proposers may be retained pending contract award or rejection. All other security deposits will be returned promptly.

2. **PERFORMANCE BOND.** When required, the successful Proposer shall furnish a bond in the amount of one hundred percent (100%) of the contract price, said bond to be issued by a responsible surety approved by the City and shall guarantee the prompt payments of all materials and labor and protect and save harmless the City from claims and damages of any kind caused by the operation of the contract, and shall also guarantee the maintenance of the improvement for a specified period following its completion and acceptance by the City. Whenever mention herein is made of a service to be provided in accordance with laws, ordinances, building codes, underwriters' codes or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as the minimum requirements of the specifications.

The absence of a written list of deviations submitted with the proposal shall hold the Proposer strictly accountable to the City and to the specifications as written. Any unauthorized deviation from the specifications may be grounds for rejection of the service when delivered.

2. PROPOSED ALTERNATE. When an item is identified in the bid document by a manufacturer's name or catalog number, it is understood that the Proposer proposes to furnish the commodity and/or service so identified by the City unless the Proposer specifically proposes an alternate. In bidding on a proposed alternate, the Proposer shall clearly state on his/her bid exactly what he/she proposes to furnish, and forward with his/her bid, a complete description of the proposed alternate, including brand, model number, drawings, performance and test data, references, and any other information necessary for a complete evaluation. Proposer shall include a statement setting forth any changes in other materials, equipment, or other work which would be required by incorporation of the proposed alternate. The City's decision to approve or disapprove of a proposed alternate shall be final.

3. QUALIFICATIONS, CREDENTIALS AND REFERENCES. The Proposer shall provide a description of qualifications, credentials, experience, and resources as they relate to the provision of the proposal. Any addenda shall be issued by the City within a reasonable time prior to the proposal date. It is the Proposer's responsibility to visit this web-site to insure that they have received all important addenda or revisions to the Request for Proposal prior to bidding.

D. SELECTION OF FIRM

1. REJECTION OF PROPOSALS. The City reserves the right to accept or reject any or all proposals, to waive irregularities and technicalities, and to request resubmission. The City also reserves the right to reject the proposal of any Proposer who has previously failed to perform properly or complete on time contracts of a similar nature, or a proposal from a Proposer who, investigation shows, is not in a position to satisfactorily and timely perform the contract.
2. SELECTION. The City desires to enter into negotiations and ultimately reach an agreement with a Proposer who demonstrates the best combination of attributes to conduct the project, and who also negotiates a project cost with the City that is fair and reasonable. The City may conduct discussions with any Proposer who has submitted a proposal to determine qualifications, for further consideration. Since the initial review by the City will be deemed preliminary in nature, the document and process will be deemed confidential until such time as the successful Proposer is selected. Criteria for selection will include but not be limited to:
 - The quality, availability, adaptability and life cycle costing of the commodities and/or service.
 - Guarantees and warranties.
 - Ability, capacity and skill to provide the commodities and/or service required within the specified time.
 - Ability to provide future maintenance and service.
 - Character, integrity, reputation, experience and efficiency.
 - Quality of performance of previous and/or existing contracts.
 - Previous and existing compliance with laws and ordinances relating to contracts with the City and to the Proposer's employment practices.
 - Whether the Proposer is in arrears to the City, in debt on a contract or is a defaulter on surety to the City.
 - If reasonable doubts arise as to Proposer's solvency, the City reserves the right to require financial information sufficient to show solvency and/or require a performance bond.
 - Such other relevant information as may be secured by the City.

- Cost estimate; the City is not required to accept the proposal with the lowest cost estimate.

Once the City has reached an agreement with the Proposer, a purchase order will be issued to the awardee. The purchase order will define the conditions of the contract between the City and the contractor selected to receive the award.

3. CORRECTIONS TO SUBMITTED PROPOSALS. Any changes that are made to this proposal using correction fluid, writing utensils, etc. before submission must be dated and initialed in each area that a change was made.
4. PRICING REQUIREMENTS. All pricing submitted by the Proposer shall be indicated in both words and figures. (Ex. \$200.50, Two hundred dollars and fifty cents).
5. PRESENTATIONS. When required and based on an evaluation of proposals submitted, the City may select finalists who will be required to participate in interviews, including key personnel designated for the proposal, and to make presentations regarding their qualifications and their ability to furnish the required service to best serve the needs of the City.

Formal presentations will be scored and evaluated by a committee. The evaluation committee will make a recommendation to the City Manager and if required, to the City Council for final approval. Nothing in the proposal can obligate the City to enter into a contract.

6. ERRORS IN PROPOSAL. Any ambiguity in any proposal as a result of omission, error, lack of clarity or noncompliance by the Proposer with specifications, instructions and conditions shall be construed in the light most favorable to the City. Changes in proposals shall be initialed and dated.

E. GENERAL CONTRACT PROVISIONS

1. CONTRACT AWARD. Upon City's selection and satisfactory negotiation between City and Proposer on the work to be performed, a written award in the form of a Purchase Order, contract or other instrument shall result in a binding contract without further action by either party. The contract shall be on forms provided by the City; or if the Proposer's contract document is used, the City reserves the right to modify any document to conform to the request for proposal and to do so in the light most favorable to the City.
2. INSURANCE. Current Certificate of Insurance in the amounts specified shall be on file with the City before work can commence.
3. AVAILABILITY OF FUNDS. A contract shall be deemed valid only to the extent of appropriations available to each project. The City's extended obligation on these contracts which envision extended funding through successive fiscal periods shall be contingent upon actual appropriation for the following fiscal year.
4. CHANGE IN LAWS: In the event of a change in law that frustrates the goals of the City relative to this contract, the City will be entitled to terminate the contract upon written notification to the vendor without cost or penalty to the City.

5. CONTRACT ALTERATIONS. No alterations or variables in the terms of a contract shall be valid or binding upon the City unless authorized in writing by both parties.
6. SUBLETTING OF CONTRACT. Proposer shall not assign, transfer, convey, sublet or otherwise dispose of the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of the City, but in no case shall such consent relieve the Proposer from their obligations, or change the terms of the contract.
7. CONTRACT PERIOD. Contract shall remain in force for the full specified period and until all services have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall be met, unless:
 - a. Extended upon written authorization of the City and accepted by contractor, for a period negotiated and agreed upon by both parties, when in the best interest of the City.
 - b. Terminated due to default, as described below.
8. DEFAULT. The contract may be cancelled or annulled by the City in whole or in part by written notice of default to the Proposer upon non-performance, violation of contract terms, delivery failure, bankruptcy or insolvency, or the making of an assignment for the benefit of creditors. The City reserves the right to grant Contractor a specified cure period during which to cure or remedy the default, which cure period shall be included in the written notice of default. If default is not cured within the specified time, City reserves the right, but is not obligated to, extend the cure period or City may deem the Contract terminated without further notice. In either event, the defaulting Contractor (or his/her surety) shall be liable to the City for cost to the City in excess of the defaulted contract price. Lack of knowledge by the Contractor will in no way be a cause for relief from responsibility.

If the Contract is terminated, an award may then be made to the next qualified Proposer; or when time is of the essence, services may be contracted in accordance with Emergency procedures.
9. DELIVERY FAILURES. Failure of a contractor to provide commodities and/or service within the time specified, unless extended in writing by the City, or failure to replace rejected commodities and/or service when so directed by the City shall constitute delivery failure. When such failure occurs the City reserves the right to cancel or adjust the contract, whichever is in the best interest of the City. In either event, the City may purchase in the open market commodities and/or service of comparable worth to replace the articles of service rejected or not delivered. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the City, for any expense incurred in excess of contract prices, or the City may deduct such amount from monies owed the Contractor. If the contract is not cancelled, such purchases shall be deducted from contract quantities. The City reserves the right to accept commodities and/or service delivered which do not meet specifications or are substandard in quality, subject to an adjustment in price to be determined by the City. Acceptance will be at the sole discretion of the City.
10. FORCE MAJEURE. The Contractor shall not be liable in damages for delivery failure when such failure is the result of fire, flood, strike, and act of God, act of government, act of an alien enemy or any other circumstances which, in the City's opinion, is beyond the control of the

Contractor. Under such circumstances, however, the City may at its discretion cancel the contract.

11. **INDEMNITY**. Nothing in any special provision or any supplemental specification shall be construed as eliminating or superseding the requirements of this section.
