### **A. PROJECT DESCRIPTION:**

The City of Iowa City desires to construct the Iowa City Gateway [HDP-3715(652)--71-52] Project ("Project") which includes the elevation of Dubuque Street to one-foot above the 100-year flood elevation, the reconstruction of Park Road Bridge such that the low steel elevation of the new through-arch bridge is one-foot above the 200-year flood and all necessary improvements of sidewalks, public and private utilities and intersections within the project limits. This project will require acquisition of property rights from a number of adjoining landowners. Under law, just compensation must be paid to those adjoining landowners for the property rights secured. In furtherance of that end, appraisals and/or compensation estimates must be secured. In the case of compensation estimates, assistance would be required in determining compensation estimates in-house in the Iowa City Attorney's Office through provision of comparable property valuations for all relevant properties. In addition, review appraisals will need to be secured.

The project timeline will require that appraisals and/or compensation estimate materials be completed and delivered to the City Attorney's Office no later than six (6) weeks following award of the work to the appraiser. Completion and delivery of review appraisals to the Iowa City Attorney's Office must be no later than three (3) weeks after delivery of the appraisals to the review appraiser.

### **B. SCOPE OF WORK:**

The Appraiser will be responsible for the following tasks:

1. Making a good faith effort to meet with each property owner to discuss the property rights sought, and the appraisal process.
2. Compliance with the Uniform Standards of Professional Appraisal Practice
3. Collaborate and communicate with Asst. City Attorney Eric Goers as needed throughout the process of appraisal or review appraisal, and as needed for follow-up questions/issues, including possible testimony before the Compensation Commission. Proposers should identify how they will bill for testimony and/or preparation for testimony (e.g., hourly at a rate of \$\_\_\_/hour).
4. Completion and delivery of appraisals and/or compensation estimate materials to the Iowa City Attorney's Office no later than six (6) weeks following award of the work to the appraiser. Delivery constitutes both electronic versions and three (3) hard copies.
5. Completion and delivery of review appraisals to the Iowa City Attorney's Office no later than three (3) weeks after delivery of the appraisals to the review appraiser. Delivery constitutes both electronic versions and three (3) hard copies.

### **C. DELIVERABLES:**

The appraiser will be responsible for providing the following deliverables to the City:

1. An electronic version of all appraisals and compensation estimate materials.
2. Three (3) hard copies of all appraisals and compensation estimate materials.

All questions must be in e-mail form in order to receive a response.

Each copy must be organized as stated on the checklist and contain all of the required information in order for the City to fully evaluate the submitted proposal.

**G. CONTRACT NEGOTIATIONS:**

The City of Iowa City reserves the right to negotiate specifications and terms and conditions which may be necessary or appropriate to the accomplishment of the purpose of this Request for Proposal. The City of Iowa City may require the Request for Proposal and the proposer's submitted proposal be made an integral part of the resulting contract. This implies that all responses, supplemental information, and other submissions provided by the proposer during discussions or negotiations will be held by the City of Iowa City as contractually binding on the successful proposer.

**H. EVALUATION PROCESS:**

Each proposal submitted stands alone and will be evaluated on its own merits in terms of meeting the City's requirements, terms and conditions, and overall responsiveness to the Request for Proposal. The evaluation committee may conduct discussions with any proposer that submits an acceptable or potentially acceptable proposal. Proposers shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. During the course of the discussions, the evaluation committee shall not disclose any information derived from one proposal to any other proposer. The evaluation committee reserves the right to request the proposer to provide additional information during this process.

**The general rules and conditions which follow apply to all proposals issued by the City unless otherwise specified. Proposers or their authorized agents are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so shall be at the Proposer's own risk.**

**REQUEST FOR PROPOSAL (RFP):** is defined as a request for an offer, by one party to another, of terms and conditions with reference to some work or undertaking.

This document constitutes a **REQUEST FOR PROPOSAL**, and is thus a solicitation for responses. Conversely, this REQUEST FOR PROPOSAL is **NOT** a bid and is not governed by state or federal bidding requirements.

Moreover, any acceptance of a proposal shall NOT result in a binding contract between the City and the Proposer, but instead will simply enable negotiations to take place which may eventually result in a detailed and refined agreement or contract between the Proposer and the City.

"Proposal date" as referenced herein shall mean the local date and time specified in the proposal documents.

**A. CONDITIONS FOR PROPOSING**

1. NO CONTACT POLICY. After the date and time established for receipt of proposals by the City, any contact initiated by the Proposer or by a City representative, other than the Purchasing Division representative listed herein, concerning this Request for Proposal is prohibited. Any such unauthorized contact may cause the disqualification of the Proposer from the procurement transaction.
2. COMPLETENESS/AUTHORIZATION OF PROPOSAL. Proposer shall supply all information and submittals required by the proposal documents to constitute a proper proposal. The proposal shall clearly state the legal name, address, telephone number, and fax number of the Proposer. The proposal shall be signed above the typed or printed name and title of the signer. The signer shall have the legal authority to bind the Proposer to the proposal.
3. ADDRESSING OF PROPOSAL. Unless otherwise specified, faxed or e-mailed proposals will not be accepted. Proposal shall be submitted in a sealed envelope or box clearly marked on the front with proposal number and due date, and unless otherwise specified, addressed to:

City of Iowa City  
410 E. Washington St., RM 140  
Iowa City, Iowa 52240-1826
4. PROPOSAL DEADLINE. Proposer shall be responsible for taking whatever measures are necessary to ensure that the proposal reaches the office of the City Clerk or other specified agent on or before the local time and date specified. The City shall not be responsible for, and may not consider, any proposal delayed in the postal or other delivery service, or in the City's internal mail system, nor any late proposal, amendment thereto, or request for withdrawal of proposal

received after the date specified. Proposals received after the time and date specified on the Request for Proposal will not be opened and will not be considered for award.

A written request for withdrawal of a proposal or any part thereof may be granted, provided the request is received in writing by the City prior to the specified proposal date.

5. RECEIPT OF PROPOSALS. Unless otherwise required by law, during the process of negotiations, no proposals shall be handled so as to permit disclosure of proposals prior to award of the contract.
6. PROPOSALS BINDING 120 DAYS. Unless otherwise specified, all formal proposals, including any negotiations, submitted shall be binding for one hundred and twenty (120) working days following the due date for the proposal or negotiations, unless the Proposer(s), at the City's request, agrees in writing to an extension.
7. TRADE SECRETS OR PROPRIETY INFORMATION. The laws of Iowa require that at the conclusion of the selection process the contents of all proposals be placed in the public domain and be open to inspection by interested parties. Trade secrets or proprietary information that are recognized as such and protected by law may be withheld.
8. MULTIPLE PROPOSALS. Proposers may submit more than one proposal, provided the additional proposal or proposals are properly submitted on the proposal forms or in the proposal format.
9. COMPETENCY OF PROPOSER. No proposal may be accepted from or contract awarded to any person, firm or corporation that is in arrears or in default to the City of Iowa City upon any debt or contract. Prior failure of a Proposer to perform faithfully on any previous contract or work for the City may be grounds for rejection. If requested, the Proposer shall present evidence of performance ability and possession of necessary facilities, pecuniary resources and adequate insurance to comply with the terms of these proposal documents; such evidence shall be presented within a specified time and to the satisfaction of the City.
10. COLLUSIVE PROPOSING. The Proposer certifies that the proposal is made without any previous understanding, agreement or connection with any person, firm, or corporation making a proposal for the same project, without prior knowledge of competitive prices, and that the proposal is in all respects fair, without outside control, collusion, fraud or otherwise illegal action.
11. OFFICERS NOT TO BENEFIT. Upon signing this agreement, Consultant acknowledges that Section 362.5 of the Iowa Code prohibits a City officer or employee from having an interest in a contract with the City, and certifies that no employee or officer of the City, which includes members of the City Council and City boards and commissions, has an interest, either direct or indirect, in this agreement, that does not fall within the exceptions to said statutory provision enumerated in Section 362.5
12. EQUAL EMPLOYMENT OPPORTUNITY. All Proposers are subject to and must comply with the provisions of the City's EEO policy and applicable local, state and federal antidiscrimination laws. All City contractors, subcontractors or consultants with contracts of \$25,000 or more (or less, if required by another governmental agency) must abide by the requirements of the City's Contract Compliance. Emergency contracts are exempt from this provision.

**B. SPECIFICATIONS**

1. **FORMAL SPECIFICATIONS.** The Proposer shall abide by and comply with the true intent of the specifications (i.e., not take advantage of any unintentional error or omission). Whenever mention herein is made of a service to be provided in accordance with laws, ordinances, building codes, underwriters' codes or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as the minimum requirements of the specifications.

The absence of a written list of deviations submitted with the proposal shall hold the Proposer strictly accountable to the City and to the specifications as written. Any unauthorized deviation from the specifications may be grounds for rejection of the service when delivered.

2. **PROPOSED ALTERNATE.** When an item is identified in the bid document by a manufacturer's name or catalog number, it is understood that the Proposer proposes to furnish the commodity and/or service so identified by the City unless the Proposer specifically proposes an alternate. In bidding on a proposed alternate, the Proposer shall clearly state on his/her bid exactly what he/she proposes to furnish, and forward with his/her bid, a complete description of the proposed alternate, including brand, model number, drawings, performance and test data, references, and any other information necessary for a complete evaluation. Proposer shall include a statement setting forth any changes in other materials, equipment, or other work which would be required by incorporation of the proposed alternate. The burden of proof of the merit of the proposed alternate is upon the Proposer.

The City's decision to approve or disapprove of a proposed alternate shall be final.

3. **QUALIFICATIONS, CREDENTIALS AND REFERENCES.** The Proposer shall provide a description of qualifications, credentials, experience, and resources as they relate to the provision of the proposal. The Proposer shall also provide a list of clients for whom similar work has been performed within the last two years, including the firm, contact person, address, and phone number of each contact person.
4. **ADDENDUM TO SPECIFICATIONS.** Any substantive interpretation, correction or change of the proposal documents shall be made by written addendum. Unless otherwise specified the addendum will be posted to the City of Iowa City website:

<https://icgov.org/purchasing-bids>

Interpretation, corrections or changes of the proposal documents made in any other manner shall not be binding. Such interpretations, corrections or changes shall not be relied upon by Proposer.

Any addenda shall be issued by the City within a reasonable time prior to the proposal date. It is the Proposer's responsibility to visit this web-site to insure that they have received all important addenda or revisions to the Request for Proposal prior to bidding.

**C. SELECTION OF FIRM**

1. **REJECTION OF PROPOSALS.** The City reserves the right to accept or reject any or all proposals, to waive irregularities and technicalities, and to request resubmission. The City also reserves the right to reject the proposal of any Proposer who has previously failed to perform

properly or complete on time contracts of a similar nature, or a proposal from a Proposer who, investigation shows, is not in a position to satisfactorily and timely perform the contract.

2. SELECTION. The City desires to enter into negotiations and ultimately reach an agreement with a Proposer who demonstrates the best combination of attributes to conduct the project, and who also negotiates a project cost with the City that is fair and reasonable. The City may conduct discussions with any Proposer who has submitted a proposal to determine qualifications, for further consideration. Since the initial review by the City will be deemed preliminary in nature, the document and process will be deemed confidential until such time as the successful Proposer is selected. Criteria for selection will include but not be limited to:

- The quality, availability, adaptability and life cycle costing of the commodities and/or service.
- Guarantees and warranties.
- Ability, capacity and skill to provide the commodities and/or service required within the specified time.
- Ability to provide future maintenance and service.
- Character, integrity, reputation, experience and efficiency.
- Quality of performance of previous and/or existing contracts.
- Previous and existing compliance with laws and ordinances relating to contracts with the City and to the Proposer's employment practices.
- Whether the Proposer is in arrears to the City, in debt on a contract or is a defaulter on surety to the City.
- If reasonable doubts arise as to Proposer's solvency, the City reserves the right to require financial information sufficient to show solvency and/or require a performance bond.
- Such other relevant information as may be secured by the City.
- Cost estimate; the City is not required to accept the proposal with the lowest cost estimate.

Once the City has reached an agreement with the Proposer, a purchase order will be issued to the awardee. The purchase order will define the conditions of the contract between the City and the contractor selected to receive the award.

3. CORRECTIONS TO SUBMITTED PROPOSALS. Any changes that are made to this proposal using correction fluid, writing utensils, etc. before submission must be dated and initialed in each area that a change was made.
4. PRICING REQUIREMENTS. All pricing submitted by the Proposer shall be indicated in both words and figures. (Ex. \$200.50, Two hundred dollars and fifty cents).
5. PRESENTATIONS. When required and based on an evaluation of proposals submitted, the City may select finalists who will be required to participate in interviews, including key personnel designated for the proposal, and to make presentations regarding their qualifications and their ability to furnish the required service to best serve the needs of the City.

Formal presentations will be scored and evaluated by a committee. The evaluation committee will make a recommendation to the City Manager and if required, to the City Council for final approval. Nothing in the proposal can obligate the City to enter into a contract.

6. ERRORS IN PROPOSAL. Any ambiguity in any proposal as a result of omission, error, lack of clarity or noncompliance by the Proposer with specifications, instructions and conditions shall be construed in the light most favorable to the City. Changes in proposals shall be initialed and dated.

**D. GENERAL CONTRACT PROVISIONS**

1. CONTRACT AWARD. Upon City's selection and satisfactory negotiation between City and Proposer on the work to be performed, a written award in the form of a Purchase Order, contract or other instrument shall result in a binding contract without further action by either party. The contract shall be on forms provided by the City; or if the Proposer's contract document is used, the City reserves the right to modify any document to conform to the request for proposal and to do so in the light most favorable to the City.
2. RESERVED
3. AVAILABILITY OF FUNDS. A contract shall be deemed valid only to the extent of appropriations available to each project. The City's extended obligation on these contracts which envision extended funding through successive fiscal periods shall be contingent upon actual appropriation for the following fiscal year.
4. CHANGE IN LAWS: In the event of a change in law that frustrates the goals of the City relative to this contract, the City will be entitled to terminate the contract upon written notification to the vendor without cost or penalty to the City.
5. CONTRACT ALTERATIONS. No alterations or variables in the terms of a contract shall be valid or binding upon the City unless authorized in writing by both parties.
6. SUBLETTING OF CONTRACT. Proposer shall not assign, transfer, convey, sublet or otherwise dispose of the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of the City, but in no case shall such consent relieve the Proposer from their obligations, or change the terms of the contract.
7. CONTRACT PERIOD. Contract shall remain in force for the full specified period and until all services have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall be met, unless:
  - a. Extended upon written authorization of the City and accepted by contractor, for a period negotiated and agreed upon by both parties, when in the best interest of the City.
  - b. Terminated due to default, as described below.
8. DEFAULT. The contract may be cancelled or annulled by the City in whole or in part by written notice of default to the Proposer upon non-performance, violation of contract terms, delivery failure, bankruptcy or insolvency, or the making of an assignment for the benefit of creditors. The City reserves the right to grant Contractor a specified cure period during which to cure or remedy the default, which cure period shall be included in the written notice of default. If

default is not cured within the specified time, City reserves the right, but is not obligated to, extend the cure period or City may deem the Contract terminated without further notice. In either event, the defaulting Contractor (or his/her surety) shall be liable to the City for cost to the City in excess of the defaulted contract price. Lack of knowledge by the Contractor will in no way be a cause for relief from responsibility.

If the Contract is terminated, an award may then be made to the next qualified Proposer; or when time is of the essence, services may be contracted in accordance with Emergency procedures.

9. DELIVERY FAILURES. Failure of a contractor to provide commodities and/or service within the time specified, unless extended in writing by the City or failure to replace rejected commodities and/or service when so directed by the City shall constitute delivery failure. When such failure occurs the City reserves the right to cancel or adjust the contract, whichever is in the best interest of the City. In either event, the City may purchase in the open market commodities and/or service of comparable worth to replace the articles of service rejected or not delivered. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the City, for any expense incurred in excess of contract prices, or the City may deduct such amount from monies owed the Contractor. If the contract is not cancelled, such purchases shall be deducted from contract quantities. The City reserves the right to accept commodities and/or service delivered which do not meet specifications or are substandard in quality, subject to an adjustment in price to be determined by the City. Acceptance will be at the sole discretion of the City.
10. FORCE MAJEURE. The Contractor shall not be liable in damages for delivery failure when such failure is the result of fire, flood, strike, and act of God, act of government, act of an alien enemy or any other circumstances which, in the City's opinion, is beyond the control of the Contractor. Under such circumstances, however, the City may at its discretion cancel the contract.
11. INDEMNITY. The Proposer shall indemnify, defend and hold harmless the City of Iowa City and its officers, employees and agents from any and all liability, loss, cost, damage, and expense (including reasonable attorney's fees and court costs) resulting from, arising out of, or incurred by reason of any claims, actions, or suits based upon or alleging bodily injury including death, license, patent, or copyright infringement, or property damage rising out of or resulting from the Proposer's operations under this Contract, whether such operations be by the Contractor or by any Subcontractor or by anyone directly or indirectly employed by either.

Proposer is not, and shall not be deemed to be, an agent or employee of the City of Iowa City.

Responsibility for Damage Claims - It is specifically agreed between the parties executing this contract that it is not intended by any of the provisions of any part of the contract documents to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to this contract to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this contract. It is understood that no subcontractor is a third party beneficiary to any contract between the Contracting Authority and the prime contractor. Nothing in any special provision or any supplemental specification shall be construed as eliminating or superseding the requirements of this section.

Proposer further agrees to:

- a. Save the City, its agents and employees harmless from liability of any nature or kind for the use of any copy-right or non-copyright composition, secret process, license, patented or unpatented invention, article, apparatus, or appliance, including any device or article forming a part of the apparatus or appliance of which the Proposer is not the patentee, assignee, licensee or owner, furnished or used in the performance of the contract.
- b. Obtain all permits and licenses required by city, state and federal governments and pay all related fees. The Proposer shall also comply with all laws, ordinances, rules and regulations of the City, State of Iowa and the Federal Government.
