REQUEST FOR PROPOSAL (RFP): is defined as a request for an offer, by one party to another, of terms and conditions with reference to some work or undertaking.

This document constitutes a **REQUEST FOR PROPOSAL**, and is thus a solicitation for responses. Conversely, this REQUEST FOR PROPOSAL is **NOT** a bid and is not governed by state or federal bidding requirements.

Moreover, any acceptance of a proposal shall NOT result in a binding contract between the City and the Proposer, but instead will simply enable negotiations to take place which may eventually result in a detailed and refined agreement or contract between the Proposer and the City.

"Proposal date" as referenced herein shall mean the local date and time specified in the proposal documents.

A. CONDITIONS FOR PROPOSING

1. **NO CONTACT POLICY.** After the date and time established for receipt of proposals by the City, any contact initiated by the Proposer or by a City representative, other than the Purchasing Division representative listed herein, concerning this Request for Proposal is prohibited. Any such unauthorized contact may cause the disqualification of the Proposer from the procurement transaction.
2. **COMPLETENESS/AUTHORIZATION OF PROPOSAL.** Proposer shall supply all information and submittals required by the proposal documents to constitute a proper proposal. The proposal shall clearly state the legal name, address, telephone number, and fax number of the Proposer. The proposal shall be signed above the typed or printed name and title of the signer. The signer shall have the legal authority to bind the Proposer to the proposal.
3. **ADDRESSING OF PROPOSAL.** Unless otherwise specified, faxed or e-mailed proposals will not be accepted. Proposal shall be submitted in a sealed envelope or box clearly marked on the front with proposal number and due date, and unless otherwise specified, addressed to:

The City shall not be responsible for, and may not consider, any proposal delayed in the postal or other delivery service, or in the City's internal mail system, nor any late proposal, amendment thereto, or request for withdrawal of proposal received after the date specified. Proposals received after the time and date specified on the Request for

Proposal will not be opened and will not be considered for award.

A written request for withdrawal of a proposal or any part thereof may be granted, provided the request is received in writing by the City prior to the specified proposal date.

5. RECEIPT OF PROPOSALS. Unless otherwise required by the Iowa Public Records law, during the process of negotiations, no proposals shall be handled so as to permit disclosure to competing Proposers of the identity of the Proposer with whom the City is negotiating or the contents of the proposal.
6. PROPOSALS BINDING 120 DAYS. Unless otherwise specified, all formal proposals, including any negotiations, submitted shall be binding for one hundred and twenty (120) working days following the due date for the proposal or negotiations, unless the Proposer(s), at the City's request, agrees in writing to an extension.
7. TRADE SECRETS OR PROPRIETY INFORMATION. Responses to this Request for Proposal become the exclusive property of the City of Iowa City. All documents submitted in response to this Request for Proposal may be regarded as public records and may be subject to disclosure. Protection from disclosure may apply to those elements in each submittal which are marked as "TRADE SECRET", "CONFIDENTIAL", or "PROPRIETARY". During the course of the submittal evaluation process or the course of the project, City of Iowa City will accept materials clearly and prominently labeled "TRADE SECRET", "CONFIDENTIAL", or "PROPRIETARY" by the respondent or other submitting party. The City of Iowa City will not advise as to the nature of the content of the documents entitled to protection to disclosure, or as to the definition of trade secret, confidential, or proprietary information. The respondent or other submitting party will be solely responsible for all such determinations made by it, and for clearly and prominently marking each and every page or sheet of materials with "TRADE SECRET", "CONFIDENTIAL", or "PROPRIETARY" as it determines to be appropriate. Respondents which indiscriminately so identify all or most of their submittal as protected from disclosure without justification may be deemed non-responsive.
The City of Iowa City will endeavor to advise the Respondent of any request for the disclosure of the material so marked with "TRADE SECRET", "CONFIDENTIAL", or "PROPRIETARY", and give the proposer or other submitting party the opportunity to seek a court order to protect such materials from disclosure. If a party other than the proposer submitted the requested material, the proposer shall be solely responsible for notifying the submitting party of the request. The City's sole responsibility is to notify the proposer of the request for disclosure, and the City of Iowa City shall not be liable for any damages resulting out of such disclosure, whether such disclosure is deemed required by law, by an order of court or administrative agency, or occurs through inadvertence, mistake, negligence on the part of the City of Iowa City or their officers, employees, consultants, or subconsultants.
8. MULTIPLE PROPOSALS. Proposers may submit more than one proposal, provided the additional proposal or proposals are properly submitted on the proposal forms or in the proposal format.

insurance to comply with the terms of these proposal documents; such evidence shall be presented within a specified time and to the satisfaction of the City.

10. COLLUSIVE PROPOSING. C. SPECIFICATIONS

1. FORMAL SPECIFICATIONS. The Proposer shall abide by and comply with the true intent of the specifications (i.e., not take advantage of any unintentional error or omission). Whenever mention herein is made of a service to be provided in accordance with laws, ordinances, building codes, underwriters' codes or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as the minimum requirements of the specifications.

The absence of a written list of deviations submitted with the proposal shall hold the Proposer strictly accountable to the City and to the specifications as written. Any unauthorized deviation from the specifications may be grounds for rejection of the service when delivered.

2. PROPOSED ALTERNATE. When an item is identified in the bid document by a manufacturer's name or catalog number, it is understood that the Proposer proposes to furnish the commodity and/or service so identified by the City unless the Proposer specifically proposes an alternate. In bidding on a proposed alternate, the Proposer shall clearly state on his/her bid exactly what he/she proposes to furnish, and forward with his/her bid, a complete description of the proposed alternate, including brand, model number, drawings, performance and test data, references, and any other information necessary for a complete evaluation. Proposer shall include a statement setting forth any changes in other materials, equipment, or other work which would be required by incorporation of the proposed alternate. It is the Proposer's responsibility to visit this web-site to insure that they have received all important addenda or revisions to the Request for Proposal prior to bidding.

D. SELECTION OF FIRM

1. **REJECTION OF PROPOSALS.** The City reserves the right to accept or reject any or all proposals, to waive irregularities and technicalities, and to request resubmission. The City also reserves the right to reject the proposal of any Proposer who has previously failed to perform properly or complete on time contracts of a similar nature, or a proposal from a Proposer who, investigation shows, is not in a position to satisfactorily and timely perform the contract.

2. **SELECTION.** The City desires to enter into negotiations and ultimately reach an agreement with a Proposer who demonstrates the best combination of attributes to conduct the project, and who also negotiates a project cost with the City that is fair and reasonable. The City may conduct discussions with any Proposer who has submitted a proposal to determine qualifications, for further consideration. Since the initial review by the City will be deemed preliminary in nature, the document and process will be deemed confidential until such time as the successful Proposer is selected. Criteria for selection will include but not be limited to:
 - The quality, availability, adaptability and life cycle costing of the commodities and/or service.
 - Guarantees and warranties.
 - Ability, capacity and skill to provide the commodities and/or service required within the specified time.
 - Ability to provide future maintenance and service.
 - Character, integrity, reputation, experience and efficiency.
 - Quality of performance of previous and/or existing contracts.
 - Previous and existing compliance with laws and ordinances relating to contracts with the City and to the Proposer's employment practices.
 - Whether the Proposer is in arrears to the City, in debt on a contract or is a defaulter on surety to the City.
 - If reasonable doubts arise as to Proposer's solvency, the City reserves the right to require financial information sufficient to show solvency and/or require a performance bond.
 - Such other relevant information as may be secured by the City.
 - Cost estimate; the City is not required to accept the proposal with the lowest cost estimate.

Once the City has reached an agreement with the Proposer, a purchase order will be issued to the awardee. The purchase order will define the conditions of the contract between the City and the contractor selected to receive the award.

3. **CORRECTIONS TO SUBMITTED PROPOSALS.** Any changes that are made to this proposal using correction fluid, writing utensils, etc. before submission must be dated and initialed in each area that a change was made.

4. **PRICING REQUIREMENTS.** All pricing submitted by the Proposer shall be indicated in both words and figures. (Ex. \$200.50, Two hundred dollars and fifty cents).

5. **PRESENTATIONS.** When required and based on an evaluation of proposals submitted, the City may select finalists who will be required to participate in interviews, including key personnel designated for the proposal, and to make presentations regarding their qualifications and their ability to furnish the required service to best serve the needs of the City.

Formal presentations will be scored and evaluated by a committee. The evaluation committee

will make a recommendation to the City Manager and if required, to the City Council for final approval. Nothing in the proposal can obligate the City to enter into a contract.

6. **ERRORS IN PROPOSAL.** Any ambiguity in any proposal as a result of omission, error, lack of clarity or noncompliance by the Proposer with specifications, instructions and conditions shall be construed in the light most favorable to the City. Changes in proposals shall be initialed and dated.

E. GENERAL CONTRACT PROVISIONS

1. **CONTRACT AWARD.** Upon City's selection and satisfactory negotiation between City and Proposer on the work to be performed, a written award in the form of a Purchase Order, contract or other instrument shall result in a binding contract without further action by either party. The contract shall be on forms provided by the City; or if the Proposer's contract document is used, the City reserves the right to modify any document to conform to the request for proposal and to do so in the light most favorable to the City.
2. **INSURANCE.** Current Certificate of Insurance in the amounts specified shall be on file with the City before work can commence.
3. **AVAILABILITY OF FUNDS.** A contract shall be deemed valid only to the extent of appropriations available to each project. The City's extended obligation on these contracts which envision extended funding through successive fiscal periods shall be contingent upon actual appropriation for the following fiscal year.
4. **CHANGE IN LAWS:** In the event of a change in law that frustrates the goals of the City relative to this contract, the City will be entitled to terminate the contract upon written notification to the vendor without cost or penalty to the City.
5. **CONTRACT ALTERATIONS.** The City reserves the right to make changes to the Services to be provided which are within the Project. No assignment, alteration, change, or modification of the terms of this Agreement shall be valid unless made in writing and agreed to by both the City and the Proposer. The Proposer shall not commence any additional work or change the scope of the Service until authorized in writing by the City. Proposer shall make no claim for additional compensation in the absence of a prior written approval and amendment of this Agreement executed by both the Proposer and the City. This Agreement may only be amended, supplemented or modified by a written document executed in the same manner as this Agreement.
6. **SUBLETTING OF CONTRACT.** Proposer shall not assign, transfer, convey, sublet or otherwise dispose of the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of the City, but in no case shall such consent relieve the Proposer from their obligations, or change the terms of the contract.
7. **CONTRACT PERIOD.** Contract shall remain in force for the full specified period and until all services have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall be met, unless:

- a. Extended upon written authorization of the City and accepted by contractor, for a period negotiated and agreed upon by both parties, when in the best interest of the City.
 - b. Terminated due to default, as described below.
8. DEFAULT. The contract may be cancelled or annulled by the City in whole or in part by written notice of default to the Proposer upon non-performance, violation of contract terms, delivery failure, bankruptcy or insolvency, or the making of an assignment for the benefit of creditors. The City reserves the right to grant Contractor a specified cure period during which to cure or remedy the default, which cure period shall be included in the written notice of default. If default is not cured within the specified time, City reserves the right, but is not obligated to, extend the cure period or City may deem the Contract terminated without further notice. In either event, the defaulting Contractor (or his/her surety) shall be liable to the City for cost to the City in excess of the defaulted contract price. Lack of knowledge by the Contractor will in no way be a cause for relief from responsibility.

If the Contract is terminated, an award may then be made to the next qualified Proposer; or when time is of the essence, services may be contracted in accordance with Emergency procedures.

9. DELIVERY FAILURES. Failure of a contractor to provide commodities and/or service within the time specified, unless extended in writing by the City, or failure to replace rejected commodities and/or service when so directed by the City shall constitute delivery failure. When such failure occurs the City reserves the right to cancel or adjust the contract, whichever is in the best interest of the City. In either event, the City may purchase in the open market commodities and/or service of comparable worth to replace the articles of service rejected or not delivered. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the City, for any expense incurred in excess of contract prices, or the City may deduct such amount from monies owed the Contractor. If the contract is not cancelled, such purchases shall be deducted from contract quantities. The City reserves the right to accept commodities and/or service delivered which do not meet specifications or are substandard in quality, subject to an adjustment in price to be determined by the City. Acceptance will be at the sole discretion of the City.
10. FORCE MAJEURE. The Contractor shall not be liable in damages for delivery failure when such failure is the result of fire, flood, strike, and act of God, act of government, act of an alien enemy or any other circumstances which, in the City's opinion, is beyond the control of the Contractor. Under such circumstances, however, the City may at its discretion cancel the contract.
11. INDEMNITY.
