Proposer shall include a statement setting forth any changes in other materials, equipment, or other work which would be required by incorporation of the proposed alternate. The burden of proof of the merit of the proposed alternate is upon the Proposer.

   The City's decision to approve or disapprove of a proposed alternate shall be final.

3. QUALIFICATIONS, CREDENTIALS AND REFERENCES. The Proposer shall provide a description of qualifications, credentials, experience, and resources as they relate to the provision of the proposal. The Proposer shall also provide a list of clients for whom similar work has been performed within the last two years, including the firm, contact person, address, and phone number of each contact person.

D. SELECTION OF FIRM

1. REJECTION OF PROPOSALS. The City reserves the right to accept or reject any or all proposals, to waive irregularities and technicalities, and to request resubmission. The City also reserves the right to reject the proposal of any Proposer who has previously failed to perform properly or complete on time contracts of a similar nature, or a proposal from a Proposer who, investigation shows, is not in a position to satisfactorily and timely perform the contract.

2. SELECTION. The City desires to enter into negotiations and ultimately reach an agreement with a Proposer who demonstrates the best combination of attributes to conduct the project, and who also negotiates a project cost with the City that is fair and reasonable. The City may conduct discussions with any Proposer who has submitted a proposal to determine qualifications, for further consideration. Since the initial review by the City will be deemed preliminary in nature, the document and process will be deemed confidential until such time as the successful Proposer is selected. Criteria for selection will include but not be limited to:

• The quality, availability, adaptability and life cycle costing of the commodities and/or service.
• Guarantees and warranties.
• Ability, capacity and skill to provide the commodities and/or service required within the specified time.
• Ability to provide future maintenance and service.
• Character, integrity, reputation, experience and efficiency.
• Quality of performance of previous and/or existing contracts.
• Previous and existing compliance with laws and ordinances relating to contracts with the City and to the Proposer’s employment practices.
• Whether the Proposer is in arrears to the City, in debt on a contract or is a defaulter on surety to the City.
• If reasonable doubts arise as to Proposer's solvency, the City reserves the right to require financial information sufficient to show solvency and/or require a performance bond.
• Such other relevant information as may be secured by the City.
• Cost estimate; the City is not required to accept the proposal with the lowest cost estimate.

Once the City has reached an agreement with the Proposer, a purchase order will be issued to the awardee. The purchase order will define the conditions of the contract between the City and the contractor selected to receive the award.

3. CORRECTIONS TO SUBMITTED PROPOSALS. Any changes that are made to this proposal using correction fluid, writing utensils, etc. before submission must be dated and initialed in each area that a change was made.

4. PRICING REQUIREMENTS. All pricing submitted by the Proposer shall be indicated in both words and figures. (Ex. $200.50, Two hundred dollars and fifty cents).
5. **PRESENTATIONS.** When required and based on an evaluation of proposals submitted, the City may select finalists who will be required to participate in interviews, including key personnel designated for the proposal, and to make presentations regarding their qualifications and their ability to furnish the required service to best serve the needs of the City.

Formal presentations will be scored and evaluated by a committee. The evaluation committee will make a recommendation to the City Manager and if required, to the City Council for final approval. Nothing in the proposal can obligate the City to enter into a contract.

6. **ERRORS IN PROPOSAL.** Any ambiguity in any proposal as a result of omission, error, lack of clarity or noncompliance by the Proposer with specifications, instructions and conditions shall be construed in the light most favorable to the City. Changes in proposals shall be initialed and dated.

E. **GENERAL CONTRACT PROVISIONS**

1. **CONTRACT AWARD.** Upon City's selection and satisfactory negotiation between City and Proposer on the work to be performed, a written award in the form of a Purchase Order, contract or other instrument shall result in a binding contract without further action by either party. The contract shall be on forms provided by the City; or if the Proposer's contract document is used, the City reserves the right to modify any document to conform to the request for proposal and to do so in the light most favorable to the City.

2. **INSURANCE.** Current Certificate of Insurance in the amounts specified shall be on file with the City before work can commence.

3. **AVAILABILITY OF FUNDS.** A contract shall be deemed valid only to the extent of appropriations available to each project. The City's extended obligation on these contracts which envision extended funding through successive fiscal periods shall be contingent upon actual appropriation for the following fiscal year.

4. **CHANGE IN LAWS:** In the event of a change in law that frustrates the goals of the City relative to this contract, the City will be entitled to terminate the contract upon written notification to the vendor without cost or penalty to the City.

5. **CONTRACT ALTERATIONS.** The City reserves the right to make changes to the Services to be provided which are within the Project. No assignment, alteration, change, or modification of the terms of this Agreement shall be valid unless made in writing and agreed to by both the City and the Proposer. The Proposer shall not commence any additional work or change the scope of the Service until authorized in writing by the City. Proposer shall make no claim for additional compensation in the absence of a prior written approval and amendment of this Agreement executed by both the Proposer and the City. This Agreement may only be amended, supplemented or modified by a written document executed in the same manner as this Agreement.

6. **SUBLETTING OF CONTRACT.** Proposer shall not assign, transfer, convey, sublet or otherwise dispose of the contract or their right, title or interest therein, or their power to execute such contract to any other person, firm or corporation without the prior written consent of the City, but
in no case shall such consent relieve the Proposer from their obligations, or change the terms of the contract.

7. **CONTRACT PERIOD.** Contract shall remain in force for the full specified period and until all services have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall be met, unless:

   a. Extended upon written authorization of the City and accepted by contractor, for a period negotiated and agreed upon by both parties, when in the best interest of the City.

   b. Terminated due to default, as described below.

8. **DEFAULT.** The contract may be cancelled or annulled by the City in whole or in part by written notice of default to the Proposer upon non-performance, violation of contract terms, delivery failure, bankruptcy or insolvency, or the making of an assignment for the benefit of creditors. The City reserves the right to grant Contractor a specified cure period during which to cure or remedy the default, which cure period shall be included in the written notice of default. If default is not cured within the specified time, City reserves the right, but is not obligated to, extend the cure period or City may deem the Contract terminated without further notice. In either event, the defaulting Contractor (or his/her surety) shall be liable to the City for cost to the City in excess of the defaulted contract price. Lack of knowledge by the Contractor will in no way be a cause for relief from responsibility.

   If the Contract is terminated, an award may then be made to the next qualified Proposer; or when time is of the essence, services may be contracted in accordance with Emergency procedures.

9. **DELIVERY FAILURES.** Failure of a contractor to provide commodities and/or service within the time specified, unless extended in writing by the City, or failure to replace rejected commodities and/or service when so directed by the City shall constitute delivery failure. When such failure occurs the City reserves the right to cancel or adjust the contract, whichever is in the best interest of the City. In either event, the City may purchase in the open market commodities and/or service of comparable worth to replace the articles of service rejected or not delivered. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the City, for any expense incurred in excess of contract prices, or the City may deduct such amount from monies owed the Contractor. If the contract is not cancelled, such purchases shall be deducted from contract quantities. The City reserves the right to accept commodities and/or service delivered which do not meet specifications or are substandard in quality, subject to an adjustment in price to be determined by the City. Acceptance will be at the sole discretion of the City.

10. **FORCE MAJEURE.** The Contractor shall not be liable in damages for delivery failure when such failure is the result of fire, flood, strike, and act of God, act of government, act of an alien enemy or any other circumstances which, in the City's opinion, is beyond the control of the Contractor. Under such circumstances, however, the City may at its discretion cancel the contract.

11. **INDEMNITY.** The Proposer shall indemnify, defend and hold harmless the City of Iowa City and its officers, employees and agents from any and all liability, loss, cost, damage, and expense (including reasonable attorney’s fees and court costs) resulting from, arising out of, or incurred by reason of any claims, actions, or suits based upon or alleging bodily injury including death,
license, patent, or copyright infringement, or property damage rising out of or resulting from the Proposer's operations under this Contract, whether such operations be by the Contractor or by any Subcontractor or by anyone directly or indirectly employed by either.

Proposer is not, and shall not be deemed to be, an agent or employee of the City of Iowa City.

Responsibility for Damage Claims - It is specifically agreed between the parties executing this contract that it is not intended by any of the provisions of any part of the contract documents to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to this contract to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this contract. It is understood that no subcontractor is a third party beneficiary to any contract between the Contracting Authority and the prime contractor. Nothing in any special provision or any supplemental specification shall be construed as eliminating or superseding the requirements of this section.

Proposer further agrees to:

a. Save the City, its agents and employees harmless from liability of any nature or kind for the use of any copy-right or non-copy-right composition, secret process, license, patented or unpatented invention, article, apparatus, or appliance, including any device or article forming a part of the apparatus or appliance of which the Proposer is not the patentee, assignee, licensee or owner, furnished or used in the performance of the contract.

b. Obtain all permits and licenses required by city, state and federal governments and pay all related fees. The Proposer shall also comply with all laws, ordinances, rules and regulations of the City, State of Iowa and the Federal Government.

12. ANTI-DISCRIMINATION. Proposer shall not discriminate against any person in employment or public accommodation because of race, religion, color, creed, gender identity, sex, national origin, sexual orientation, mental or physical disability, marital status or age. "Employment" shall include but not be limited to hiring, accepting, registering, classifying, promoting, or referring to employment. "Public accommodation" shall include but not be limited to providing goods, services, facilities, privileges and advantages to the public.

13. CHOICE OF LAW AND FORUM. The laws of the State of Iowa shall govern and determine all matters arising out of or in connection with this proposal, including but not limited to any resulting Contract, without regard to the conflict of law provisions of Iowa law. Any and all litigation commenced in connection with this proposal or any resulting Contract shall be brought and maintained solely in Johnson County District Court for the State of Iowa, Iowa City, Iowa, or in the United States District Court for the Southern District of Iowa, Davenport Division, Davenport, Iowa, wherever jurisdiction is appropriate. This provision shall not be construed as waiving any immunity to suit or liability in State or Federal court, which may be available to the City of Iowa City.

F. PAYMENT PROVISIONS

1. PAYMENT TERMS. Payment may be made only after inspection and acceptance by the using department. Payment of balances shall be made only after approval and final acceptance by the City.
2. **INVOICING.** Following acceptance of each payment term, payment shall be made within thirty (30) calendar days from receipt of itemized invoice. Before City will pay any invoice, the invoice must first include proposal number, department name, dollar amount, and any other pertinent information. Submit invoice to:

   Purchasing Division  
   City of Iowa City  
   410 East Washington St.  
   Iowa City, Iowa  52240

3. **WITHHOLDING PAYMENT.** Consideration for withholding payment shall include faulty materials, or workmanship, failure to meet delivery deadlines, and liens that have been filed, or evidence indicating a possible filing of claims. In all cases, regulations and limitations imposed by the Federal Government and State of Iowa shall prevail.

4. **TAXES.** The City of Iowa City is exempt from all Federal, State of Iowa and other states' taxes on the purchase of commodities and services used by the City of Iowa City within the State of Iowa. The Purchasing Division shall provide tax exemption certification to out of state suppliers as required. Out of state taxes imposed on purchases of commodities and/or services which are used within another state are applicable and subject to payment.

IV. Waivers. If a person or entity is ineligible to contract with the City as a result of the Wage Theft Policy it may submit a request in writing indicating that one or more of the following actions have been taken:

a. There has been a bona fide change in ownership or control of the ineligible person or entity;
b. Disciplinary action has been taken against the individual(s) responsible for the acts giving rise to the violation(s);
c. Remedial action has been taken to prevent a recurrence of the acts giving rise to the disqualification or default; or
d. Other factors that the person or entity believes are relevant.

The City Manager or Designee shall review the documentation submitted, make any inquiries deemed necessary, request additional documentation if warranted and determine whether a reduction in the ineligibility period or waiver is warranted. Should the City Manager or Designee determine that a reduction or waiver of the ineligibility period is warranted the City Manager or Designee shall make such recommendation to the City Council.
