

Questions and Answers
To the Request for Proposals for
HVAC Study and Building Automation System Design Project for City Hall,
Robert A. Lee Recreation Center, and Mercer Park Aquatic Center
RFP#17-111

Dated and posted January 25, 2017

All questions are written or copied directly below, without any changes or editing. They are listed by order of receipt. Answers follow each question, in italics.

1. Under Project II – BAS Request for Proposal, the commissioning requirements for the project are included on page 11. Is the commissioning portion of work to be included as part of this proposal response or will the City of Iowa City hire a 3rd party commissioning agent outside of this contract?

Answer: *Yes, the commissioning portion of work is to be included as part of the proposal response. We recommend that the consultants break out the commissioning work from the HVAC Study and BAS design projects.*
