Whenever herein mention is made of a commodity and/or service to be provided in accordance with laws, ordinances, building codes, underwriters' codes or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as the minimum requirements of the specifications.

The absence of a written list of deviations submitted with the bid shall hold the bidder strictly accountable to the City and to the specifications as written. Any unauthorized deviation from the specifications may be grounds for rejection of the commodity and/or service when delivered.

2. **PROPOSED ALTERNATE.** When an item is identified in the bid document by a manufacturer's name or catalog number, it is understood that the bidder proposes to furnish the commodity and/or service so identified by the City unless the bidder specifically proposes an alternate. In bidding on a proposed alternate, the bidder shall clearly state on his/her bid exactly what he/she proposes to furnish, and forward with his/her bid, a complete description of the proposed alternate, including brand, model number, drawings, performance and test data, references, and any other information necessary for a complete evaluation. 3. **ADDENDUM TO SPECIFICATIONS.** Any substantive interpretation, correction or change of the bid documents shall be made by addendum. Unless otherwise specified the addendum will be posted to the City of Iowa City web-site [www.icgov.org/default/apps/equipment/commodities.asp](http://www.icgov.org/default/apps/equipment/commodities.asp). **D. AWARD OF CONTRACT**

1. **AWARD OR REJECTION OF BIDS.** Unless otherwise specified, the contract shall be awarded to the lowest responsible and responsive bidder complying with the provisions of the bid documents, provided the bid price is reasonable and it is in the best interest of the City to accept it. The City reserves the right to reject any and all bids, to accept in whole or in part, to add or delete quantities, to waive any informalities in bids received, and to accept or reject any bid which deviates from specifications when in the best interest of the City. The City also reserves the right to reject the bid of any bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or a bid from a bidder who, investigation shows, is not in a position to perform the contract.

In determining a bidder's responsibility, the City may consider the following qualifications, in addition to price:

- The quality, availability, adaptability and life cycle costing of the commodities and/or service.
- Guarantees and warranties.
- Ability, capacity and skill to provide the commodities and/or service required within the specified time.
- Ability to provide future maintenance and service.
- Character, integrity, reputation, experience and efficiency.
- Quality of performance of previous and/or existing contracts.
- Previous and existing compliance with laws and ordinances relating to contracts with the City and to the bidder's employment practices.
- Whether the bidder is in arrears to the City, in debt on a contract or is a defaulter on surety to the City.
- If reasonable doubts arise as to bidder's solvency, the City reserves the right to require financial information sufficient to show solvency and/or require a performance bond.

- Such other relevant information as may be secured by the City.

In determining a bidder's responsiveness, the City shall consider whether the bid conforms in all material respects to the bid documents.

2. **LOCAL PREFERENCE.** Preference may be given to local businesses or vendors that have a business located within Johnson County. This includes branch operations and franchises. Cost and other considerations being equal, local businesses shall be given first consideration for the purchase of goods or services. A local business or vendor that submits a quote or bid by the established deadline falling within 5% of the lowest bid will have the opportunity to match the lowest price submitted, but only if that price was submitted by a non-local vendor.

In this instance, the City representative responsible for issuing the solicitation will contact the local vendor/business that has fallen within the 5% threshold to request a price match. The business/vendor will have a twenty-four hour period to submit a written price match to the City representative. If more than one local business/vendor meets the criteria above, each local vendor will be given forty-eight hours to submit a lower bid in writing. All revised bids must be at or lower than the original lowest bid. At the close of the forty-eight hour period, the contract will be awarded to the lowest bidder, local or otherwise. In the event of a tie, the local vendor will be awarded the contract. If two or more local vendors tie, the award will be determined by coin flip.

The local preference policy does not apply to Public Improvement projects, goods and services acquired through the Request for Proposal process, or purchases utilizing Federal Transit funds or Federal funding.

3. **STATE OF IOWA RESIDENT BIDDER PREFERENCE.** By virtue of statutory authority, preference will be given to products and provisions grown and coal produced within the State of Iowa, and to Iowa domestic labor, to the extent lawfully required under Iowa Statutes. The Iowa Reciprocal Preference Act (SF 2160) applies to the contract with respect to bidders who are not Iowa residents.
4. **FEDERAL TRANSIT FUNDS.** Purchases utilizing Federal Transit funds are not eligible for local or state purchase consideration.
5. **TIE BIDS.** If two or more bidders submit identical bids and are equally qualified, the City's decision to make award to one or more of such bidders shall be final.
6. **ERRORS IN BID.** Any ambiguity in any bid as a result of omission, error, lack of clarity or non-compliance by the bidder with specifications, instructions and all conditions of bidding shall be construed in the light most favorable to the City. Any changes that are made to this bid (white out, crossing out, etc.) before submission must be dated and initialed in all areas that a change was made.
7. **CONTRACT AWARD.** A written award in the form of a Purchase Order or other instrument shall result in a binding contract without further action by either party.

#### **E. GENERAL CONTRACT PROVISIONS**

1. **INSURANCE/PERFORMANCE BOND.** When required, current Certificate of Insurance and/or Performance Bond in the amounts specified shall be on file with the City before work can commence.
2. **AVAILABILITY OF FUNDS.** A contract shall be deemed executory only to the extent of appropriations available to each department for the purchase of such commodities and/or service. The City's extended obligation on these contracts which envision extended funding through successive fiscal periods shall be contingent upon actual appropriation for the following fiscal year.

3. **CHANGE IN LAWS.** In the event of a change in law that frustrates the goals of the City relative to this contract, the City will be entitled to terminate the contract upon written notification to the vendor without cost or penalty to the City. This contract shall be governed by the laws of the State of Iowa.
4. **CONTRACT ALTERATIONS.** The City reserves the right to make changes to the Goods/Services to be provided which are within the Project. No assignment, alteration, change, or modification of the terms of this Agreement shall be valid unless made in writing and agreed to by both the City and the Bidder. The Bidder shall not commence any additional work or change the scope of the Goods/Service until authorized in writing by the City. Bidder shall make no claim for additional compensation in the absence of a prior written approval and amendment of this Agreement executed by both the Bidder and the City. This Agreement may only be amended, supplemented or modified by a written document executed in the same manner as this Agreement.
5. **SUBLETTING OF CONTRACT.** Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his/her contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, firm or corporation, without the prior written consent of the City, but in no case shall such consent relieve the Contractor from his/her obligations, or change the terms of contract.
6. **CONTRACT PERIOD.** Contract shall remain in force for a full period specified and until all commodities and/or services ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall be met, unless:
  - a. Extended upon written authorization of the City and accepted by contractor, to permit ordering or unordered balances or additional quantities at contract prices and in accordance with contract terms.
  - b. Extended upon written authorization of the City and accepted by contractor, for a period negotiated and agreed upon by both parties, when in the best interest of the City.
  - c. Terminated due to default, as described below.
7. **DEFAULT.** The contract may be cancelled or annulled by the City in whole or in part by written notice of default to the Contractor upon non-performance, violation of contract terms, delivery failure, bankruptcy or insolvency, or the making of an assignment for the benefit of creditors. An award may then be made to next low bidder, or when time is of the essence, similar commodities and/or service may be purchased on the open market. In either event, the defaulting Contractor (or his/her surety) shall be liable to the City for cost to the City in excess of the defaulted contract price. Lack of knowledge by the Contractor will in no way be a cause for relief from responsibility.
8. **DELIVERY FAILURES.** Failure of a contractor to provide commodities and/or service within the time specified, unless extended in writing by the City, or failure to replace rejected commodities and/or service when so directed by the City shall constitute delivery failure. When such failure occurs the City reserves the right to cancel or adjust the contract, whichever is in the best interest of the City. In either event, the City may purchase in the open market commodities and/or service of comparable worth to replace the articles of service rejected or not delivered. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the City, for any expense incurred in excess of contract prices, or the City may deduct such amount from monies owed the Contractor. If the contract is not cancelled, such purchases shall be deducted from contract quantities. The City reserves the right to accept commodities and/or service delivered which do not meet specifications or are substandard in quality, subject to an adjustment in price to be determined by the City.
9. **FORCE MAJEURE.** The Contractor shall not be liable in damages for delivery failure when such failure is the result of fire, flood, strike, act of God, act of government, act of an alien enemy or any other circumstances which, in the City's opinion, is beyond the control of the Contractor. Under such circumstances, however, the City may at its discretion cancel the contract.
10. **NEW GOODS. FRESH STOCK.** All contracts, unless otherwise specified, shall produce new commodities, fresh stock, latest model, design or pack.

11. **PROFESSIONAL WORKMANSHIP.** Professional workmanship shall meet or exceed existing industry standards.
12. **GUARANTEE.** Unless otherwise specified, the Contractor shall unconditionally guarantee the materials and workmanship on all equipment furnished by him/her for a minimum period of one (1) year from date of acceptance of the items delivered and installed. If, within the guarantee period, any defects or signs of deterioration are noted which in the City's opinion are due to faulty design, installation, workmanship, or materials, the Contractor, upon notification and at his/her expense, shall repair or adjust the equipment or parts to correct the condition or he/she shall replace the part or entire unit to the complete satisfaction of the City. These repairs, replacements or adjustments shall be made only at such time as shall be designated by the City as least detrimental to the operation of the City business.

Regardless of any statement to the contrary, the Contractor agrees that the implied warranty of merchantability and fitness for a specific purpose is not disclaimed.

13. **INDEMNITY.** The Contractor shall indemnify, defend and hold harmless the City of Iowa City and its officers, employees, and agents from any and all liability, loss, cost, damage, and expense (including reasonable attorney's fees and court costs) resulting from, arising out of, or incurred by reason of any claims, actions, or suits based upon or alleging bodily injury, including death, or property damage rising out of or resulting from the Contractor's operations under this Contract, whether such operations be by himself or herself or by any Subcontractor or by anyone directly or indirectly employed by either of them.

Contractor is not, and shall not be deemed to be, an agent or employee of the City of Iowa City.

Responsibility for Damage Claims - It is specifically agreed between the parties executing this contract that it is not intended by any of the provisions of any part of the contract documents to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to this contract to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this contract. It is understood that no subcontractor is a third party beneficiary to any contract between the Contracting Authority and the prime contractor. Nothing in any special provision or any supplemental specification shall be construed as eliminating or superseding the requirements of this section.

Contractor further agrees to:

- a. Save the City its agents and employees harmless from liability of any nature or kind for the use of any copyright or non-copyright composition, secret process, patented or unpatented invention, article, apparatus or appliance including any device or article forming a part of the apparatus or appliance furnished or used in the performance of the contract of which the Contractor is not the patentee, assignee, licensee or owner.
  - b. Protect the City against latent defective material or workmanship and to repair or replace any damages or marring occasioned in transit or delivery.
  - c. Furnish adequate protection against damage to all work and to repair damages of any kind, to the building or equipment, due to contractor's own work or to the work of other contractors, for which he/she or his/her workers are responsible.
  - d. Obtain all Permits and licenses required by City, state, and federal governments and pay all related fees. The Contractor shall also comply with all laws, ordinances, rules and regulations of the City, State of Iowa and the Federal Government.
14. **OSHA REQUIREMENTS.** All commodities and/or service shall satisfactorily comply with applicable OSHA regulations in effect at the time commodities are shipped and/or the service is performed. Material Safety Data Sheets (MSDS) are required in accordance with applicable regulations.

15. **ANTI-DISCRIMINATION.** Proposer shall not discriminate against any person in employment or public accommodation because of race, religion, color, creed, gender identity, sex, national origin, sexual orientation, mental or physical disability, marital status or age. "Employment" shall include but not be limited to hiring, accepting, registering, classifying, promoting, or referring to employment. "Public accommodation" shall include but not be limited to providing goods, services, facilities, privileges and advantages to the public.
16. **CHOICE OF LAW AND FORUM.** The laws of the State of Iowa shall govern and determine all matters arising out of or in connection with this Agreement without regard to the choice of law provisions of Iowa law. In the event any judicial proceeding is commenced in connection with this Agreement, the exclusive jurisdiction for the proceeding shall be in the Iowa District Court in and for Johnson County, Iowa City, Iowa. This provision shall not be construed as waiving any immunity to suit or liability including without limitation immunity in State or Federal court, which may be available to the City.

#### **F. DELIVERY PROVISIONS**

1. **CARTAGE.** All items shall be delivered F.O.B. destination. Delivery costs and charges must be included in the bid unless otherwise stated in the specifications or proposal.
2. **RESPONSIBILITY FOR COMMODITIES AND/OR SERVICE DELIVERED.** The awarded vendor shall be responsible for any commodities and/or service covered by this contract until they are delivered at the designated point, but the awarded vendor shall bear all risk for rejected commodities and/or service after written notice of rejection. Rejected commodities and/or service shall be removed and/or replaced by and at the expense of the awarded vendor promptly after written notification of rejection, unless public health and safety require destruction or other disposal of rejected delivery.

Upon awarded vendor's failure to do so within thirty (30) calendar days after the date of notification, the City may return the rejected commodities to the Contractor and/or replace services at the awarded vendor's risk and expense, or the City may dispose of them as its own property.

3. **INSPECTIONS.** Final inspection of commodities and/or service shall be conclusive except as regards latent defects, fraud, or such gross mistakes that amount to fraud. Final inspection and acceptance or rejection of the commodities and/or service shall be made within a reasonable time after delivery, but failure to inspect and accept or reject commodities and/or service shall not impose liability on the City if such commodities and/or service are not in accordance with the specifications. All delivered commodities shall be accepted subject to inspection and physical count.
4. **TIME OF DELIVERY.** Bidders shall guarantee delivery of supplies in accordance with such delivery schedule as may be provided in the specifications and proposals. If delivery schedules are not provided in the specifications section, deliveries will be accepted between 8:30 a.m. and 3:30 p.m. on weekdays only. No deliveries shall be accepted on Saturdays, Sundays or holidays, unless otherwise authorized.
5. **PACKING SLIPS OR DELIVERY TICKETS.** All shipments or deliveries shall be accompanied by packing slips or delivery tickets and shall contain the following information for each item delivered:

  - Commodity name.
  - Supplier's stock number.

**G. PAYMENT PROVISIONS**

1. **PAYMENT TERMS**. Payment may be made only after inspection and acceptance by the using department and, when required, approval by the City Council. No partial payments shall be made unless otherwise authorized by the City, or unless commodities were constructed, erected, installed or tested on site, in which case payment shall be made on the basis of a percentage of the value of all work performed less any previous payments. Payment of balances shall be made only after approval and final acceptance by the City.
2. **WITHHOLDING PAYMENT**. Consideration for withholding payment shall include faulty materials, equipment, or workmanship, back orders, and liens that have been filed, or evidence indicating a possible filing of claims. In all cases, regulations and limitations imposed by the Federal Government and State of Iowa shall prevail.
3. **INVOICING**. Following acceptance, payment shall be made within thirty (30) calendar days from receipt of proper invoice. Invoice shall include bid number, purchase order number, department name, dollar amount, and any other pertinent information. Submit invoice to:
