

## Addendum Number 1

**Request for Proposal: #21-19, Environmental Sample Testing Services for the City of Iowa City Public Works Department**

Purchasing Division, City of Iowa City, Iowa

Date of Addendum: September 16, 2020

This Addendum to **Request for Proposal: #21-19** is issued to post questions and answers asked of this Request for Proposal document.

Request for Proposal #21-19 is hereby amended as follows:

### Questions and Answers:

1. schedule for the WWTP". Is this a daily Monday through Friday schedule; or a set schedule for fewer numbers of days per week, e.g. Tuesday & Friday?

*WWTP Lab response: Once a week schedule with possible additional days or alternate means of transport such as pre-paid shipping labels.*

2. The following questions reference Section Six and the price sheet.

- a. Iowa City Wastewater Treatment Plant. *Please see the Price Sheet Clarification attachment Appendix B.*

- i. VOC (full scan)

Can an analyte list be provided that specifies all the compounds contained in the full scan?

*WWTP Lab response: NPDES Permit application Form 30B VOC's. See attached Appendix A. Price difference between request of a single analyte or multiple analyte.*

Are there required MRLs that must be met, i.e. compound specific MRLs that may require a different method, such as EPA 8011 for EDB and DBCP?

*WWTP Lab response: The Quality control as required by the above NPDES Permit application and by the EPA. Lab should be IDNR certified for CWA and SW/CS (Appendix A).*

- ii. Metals (ICP)

Are there a specific number and identity of metals that are included in this line item?

*WWTP Lab response: See NPDES Permit application Form 30B attachment Appendix A.*

- b. Iowa City Landfill

- i. Geochemical Parameters

What specific analyses are included in this line item?

*Iowa City Landfill response: Geochemical parameters consist of the following:*

- Bicarbonate (HCO<sub>3</sub>)
  - Carbonate (CO<sub>3</sub>)
  - Calcium (Ca)
  - Magnesium (Mg)
  - Potassium (K)
  - Chloride (Cl)
  - Sodium (Na)
  - Sulfate (SO<sub>4</sub>)
- ii. Stormwater (annual)  
What specific analyses are included in this line item?  
*Iowa City Landfill response: Please see Storm Water Parameters Attachment Appendix C.*
- iii. C-10 compost analysis  
What specific analyses are included in this line item?  
*Iowa City Landfill response: Please see C-10 Compost Analysis Attachment Appendix D.*

Addendum Number 1 is hereby incorporated and made a part of Request for Proposal #21-19, Environmental Sample Testing Services for the City of Iowa City Public Works Department

**Vendors must fill out the addendum section in Section Six of the RFP document to acknowledge receipt of this addendum. Failure to complete the addendum section acknowledging receipt with the submitted proposal may constitute grounds for rejection of the vendor's proposal.**
