Upon signing this agreement, Consultant acknowledges that Section 362.5 of the Iowa Code prohibits a City officer or employee from having an interest in a contract with the City, and certifies that no employee or officer of the City, which includes members of the City Council and City boards and commissions,

has an interest, either direct or indirect, in this agreement, that does not fall within the exceptions to said statutory provision enumerated in Section 362.5

13. **Equal Employment Opportunity.** All bidders are subject to and must comply with the provisions of the City's EEO policy and applicable local, state and federal anti-discrimination laws. All City contractors, subcontractors or consultants with contracts of \$25,000 or more (or less, if required by another governmental agency) must abide by the requirements of the City's Contract Compliance Document. Emergency contracts are exempt from this provision.
14. **Samples/Literature Required.** When required, each bidder shall submit samples and/or catalogs, descriptive literature, detailed drawings, and other information necessary to fully describe the proposed commodity or service.

Bidder shall bear the cost of and make arrangements for the delivery and removal of samples to the specified location. 16. **Bid Summary.** Summary of bid award made will be posted to the City's web-site at <https://icgov.org/purchasing-bids>

## **B. Insurance**

1. **Insurance Requirements.** When required, the successful bidder shall provide insurance as follows:

    4. The policy shall be primary in payment, not excess or contingent, regardless of any other coverage available to the City.

### **Insurance Requirements**

## **C. Specifications**

1. **Formal Specifications.** The bidder shall abide by and comply with the true intent of the specifications (not take advantage of any unintentional error or admission). Whenever herein mention is made of a commodity and/or service to be provided in accordance with laws, ordinances, building codes, underwriters' codes or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as the minimum requirements of the specifications.

The absence of a written list of deviations submitted with the bid shall hold the bidder strictly accountable to the City and to the specifications as written. Any unauthorized deviation from the specifications may be grounds for rejection of the commodity and/or service when delivered.

2. **Proposed Alternate.** When an item is identified in the bid document by a manufacturer's name or catalog number, it is understood that the bidder proposes to furnish the commodity and/or service so identified by the City unless the bidder specifically proposes an alternate. In bidding on a proposed alternate, the bidder shall clearly state on his/her bid exactly what he/she proposes to furnish, and forward with his/her bid, a complete description of the proposed alternate, including brand, model number, drawings, performance and test data, references, and any other information necessary for a complete evaluation. Bidder shall include a statement setting forth any changes in other materials, equipment, or other work which would be required by incorporation of the proposed alternate. The burden of proof of the merit of the proposed alternate is upon the proposer.

The City's decision to approve or disapprove of a proposed alternate shall be final.

3. **Addendum to Specifications.** Any substantive interpretation, correction or change of the bid documents shall be made by addendum. Unless otherwise specified the addendum will be posted to the City of Iowa City web-site [www.icgov.org/default/apps/equipment/commodities.asp](http://www.icgov.org/default/apps/equipment/commodities.asp). Interpretation, corrections or changes of the bid documents made in any other manner shall not be binding, and bidders shall not rely upon such interpretations, corrections or changes. Any addendum shall be issued by the City within a reasonable time prior to the bid date. It is the bidder's responsibility to visit this web-site to insure that they have received all important addenda or revisions to the Invitation to Bid prior to bidding.
4. **Receipt of One Bid.** In the event only one bid is received, the City of Iowa City may require that the successful vendor submit a cost proposal in sufficient detail for the City to perform a cost/price analysis to determine if the bid price is fair and reasonable.

## **D. Award of Contract**

1. **Award or Rejection of Bids.** Unless otherwise specified, the contract shall be awarded to the lowest responsible and responsive bidder complying with the provisions of the bid documents, provided the bid price is reasonable and it is in the best interest of the City to accept it. The City reserves the right to reject any and all bids, to accept

in whole or in part, to add or delete quantities, to waive any informalities in bids received, and to accept or reject any bid which deviates from specifications when in the best interest of the City. The City also reserves the right to reject the bid of any bidder who has previously failed to perform properly or complete on time contracts of a similar nature, or a bid from a bidder who, investigation shows, is not in a position to perform the contract.

In determining a bidder's responsibility, the City may consider the following qualifications, in addition to price:

- The quality, availability, adaptability and life cycle costing of the commodities and/or service.
- Guarantees and warranties.
- Ability, capacity and skill to provide the commodities and/or service required within the specified time.
- Ability to provide future maintenance and service.
- Character, integrity, reputation, experience and efficiency.
- Quality of performance of previous and/or existing contracts.
- Previous and existing compliance with laws and ordinances relating to contracts with the City and to the bidder's employment practices.
- Whether the bidder is in arrears to the City, in debt on a contract or is a defaulter on surety to the City.
- If reasonable doubts arise as to bidder's solvency, the City reserves the right to require financial information sufficient to show solvency and/or require a performance bond.
- Such other relevant information as may be secured by the City.

In determining a bidder's responsiveness, the City shall consider whether the bid conforms in all material respects to the bid documents.

2. **Local Preference.** Preference may be given to local businesses or vendors that have a business located within Johnson County. This includes branch operations and franchises. Cost and other considerations being equal, local businesses shall be given first consideration for the purchase of goods or services. A local business or vendor that submits a quote or bid by the established deadline falling within 5% of the lowest bid will have the opportunity to match the lowest price submitted, but only if that price was submitted by a non-local vendor.

In this instance, the City representative responsible for issuing the solicitation will contact the local vendor/business that has fallen within the 5% threshold to request a price match. The business/vendor will have a twenty-four hour period to submit a written price match to the City representative. If more than one local business/vendor meets the criteria above, each local vendor will be given forty-eight hours to submit a lower bid in writing. All revised bids must be at or lower than the original lowest bid. At the close of the forty-eight hour period, the contract will be awarded to the lowest bidder, local or otherwise. In the event of a tie, the local vendor will be awarded the contract. If two or more local vendors tie, the award will be determined by coin flip.

The local preference policy does not apply to Public Improvement projects, goods and services acquired through the Request for Proposal process, or purchases utilizing Federal Transit funds or Federal funding.

3. **State of Iowa Resident Bidder Preference.** By virtue of statutory authority, preference will be given to products and provisions grown and coal produced within the State of Iowa, and to Iowa domestic labor, to the extent lawfully required under Iowa Statutes. The Iowa Reciprocal Preference Act (SF 2160) applies to the contract with respect to bidders who are not Iowa residents.
4. **Federal Transit Funds.** Purchases utilizing Federal Transit funds are not eligible for local or state purchase consideration.
5. **Tie Bids.** If two or more bidders submit identical bids and are equally qualified, the City's decision to make award to one or more of such bidders shall be final.
6. **Errors in Bid.** Any ambiguity in any bid as a result of omission, error, lack of clarity or non-compliance by the bidder with specifications, instructions and all conditions of bidding shall be construed in the light most favorable

to the City. Any changes that are made to this bid (white out, crossing out, etc.) before submission must be dated and initialed in all areas that a change was made.

7. **Contract Award.** A written award in the form of a Purchase Order or other instrument shall result in a binding contract without further action by either party.

#### **E. General Contract Provisions**

1. **Availability of Funds.** A contract shall be deemed executory only to the extent of appropriations available to each department for the purchase of such commodities and/or service. The City's extended obligation on these contracts which envision extended funding through successive fiscal periods shall be contingent upon actual appropriation for the following fiscal year.
2. **Change in Laws.** In the event of a change in law that frustrates the goals of the City relative to this contract, the City will be entitled to terminate the contract upon written notification to the vendor without cost or penalty to the City.
3. **Contract Alterations.** The City reserves the right to make changes to the Goods/Services to be provided which are within the Project. No assignment, alteration, change, or modification of the terms of this Agreement shall be valid unless made in writing and agreed to by both the City and the Bidder. The Bidder shall not commence any additional work or change the scope of the Goods/Service until authorized in writing by the City. Bidder shall make no claim for additional compensation in the absence of a prior written approval and amendment of this Agreement executed by both the Bidder and the City. This Agreement may only be amended, supplemented or modified by a written document executed in the same manner as this Agreement.
4. **Subletting of Contract.** Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his/her contract or his/her right, title or interest therein, or his/her power to execute such contract, to any other person, firm or corporation, without the prior written consent of the City, but in no case shall such consent relieve the Contractor from his/her obligations, or change the terms of contract.
5. **Contract Period.** Contract shall remain in force for a full period specified and until all commodities and/or services ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall be met, unless:
  - a. Extended upon written authorization of the City and accepted by contractor, to permit ordering or unordered balances or additional quantities at contract prices and in accordance with contract terms.
  - b. Extended upon written authorization of the City and accepted by contractor, for a period negotiated and agreed upon by both parties, when in the best interest of the City.
  - c. Terminated due to default, as described below.
6. **Default.** The contract may be cancelled or annulled by the City in whole or in part by written notice of default to the Contractor upon non-performance, violation of contract terms, delivery failure, bankruptcy or insolvency, or the making of an assignment for the benefit of creditors. An award may then be made to next low bidder, or when time is of the essence, similar commodities and/or service may be purchased on the open market. In either event, the defaulting Contractor (or his/her surety) shall be liable to the City for cost to the City in excess of the defaulted contract price. Lack of knowledge by the Contractor will in no way be a cause for relief from responsibility.
7. **Delivery Failures.** Failure of a contractor to provide commodities and/or service within the time specified, unless extended in writing by the City, or failure to replace rejected commodities and/or service when so directed by the City shall constitute delivery failure. When such failure occurs the City reserves the right to cancel or adjust the contract, whichever is in the best interest of the City. In either event, the City may purchase in the open market commodities and/or service of comparable worth to replace the articles of service rejected or not

delivered. On all such purchases, the Contractor shall reimburse the City, within a reasonable time specified by the City, for any expense incurred in excess of contract prices, or the City may deduct such amount from monies owed the Contractor. If the contract is not cancelled, such purchases shall be deducted from contract quantities. The City reserves the right to accept commodities and/or service delivered which do not meet specifications or are substandard in quality, subject to an adjustment in price to be determined by the City.

8. **Force Majeure.** The Contractor shall not be liable in damages for delivery failure when such failure is the result of fire, flood, strike, act of God, act of government, act of an alien enemy or any other circumstances which, in the City's opinion, is beyond the control of the Contractor. Under such circumstances, however, the City may at its discretion cancel the contract.
9. **New Good. Fresh Stock.** All contracts, unless otherwise specified, shall produce new commodities, fresh stock, latest model, design or pack.
10. **Professional Workmanship.** Professional workmanship shall meet or exceed existing industry standards.
11. **Guarantee.** Unless otherwise specified, the Contractor shall unconditionally guarantee the materials and workmanship on all equipment furnished by him/her for a minimum period of one (1) year from date of acceptance of the items delivered and installed. If, within the guarantee period, any defects or signs of deterioration are noted which in the City's opinion are due to faulty design, installation, workmanship, or materials, the Contractor, upon notification and at his/her expense, shall repair or adjust the equipment or parts to correct the condition or he/she shall replace the part or entire unit to the complete satisfaction of the City. These repairs, replacements or adjustments shall be made only at such time as shall be designated by the City as least detrimental to the operation of the City business.

Regardless of any statement to the contrary, the Contractor agrees that the implied warranty of merchantability and fitness for a specific purpose is not disclaimed.

12. **Indemnity.** The Contractor shall indemnify, defend and hold harmless the City of Iowa City and its officers, employees, and agents from any and all liability, loss, cost, damage, and expense (including reasonable attorney's fees and court costs) resulting from, arising out of, or incurred by reason of any claims, actions, or suits based upon or alleging bodily injury, including death, or property damage rising out of or resulting from the Contractor's operations under this Contract, whether such operations be by himself or herself or by any Subcontractor or by anyone directly or indirectly employed by either of them.

Contractor is not, and shall not be deemed to be, an agent or employee of the City of Iowa City.

Responsibility for Damage Claims - It is specifically agreed between the parties executing this contract that it is not intended by any of the provisions of any part of the contract documents to create in the public or any member thereof a third party beneficiary hereunder, or to authorize anyone not a party to this contract to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this contract. It is understood that no subcontractor is a third party beneficiary to any contract between the Contracting Authority and the prime contractor. Nothing in any special provision or any supplemental specification shall be construed as eliminating or superseding the requirements of this section.

Contractor further agrees to:

## **Section Six – Contract Compliance Document**

(To be completed by awarded vendor only)

### **General Policy Statement**

It is the policy of the City of Iowa City to require equal employment opportunity in all City Contract work. This policy prohibits discrimination by the City's contractors, consultants and vendors and requires them to ensure that applicants seeking employment with them and their employees are treated equally without regard to race, color, creed, religion, national origin, sex, gender identity, sexual orientation, disability, marital status, and age.

It is the City's intention to assist employers, who are City contractors, vendors or consultants, in designing and implementing equal opportunity so that all citizens will be afforded equal accessibility and opportunity to gain and maintain employment.

### **Provisions:**

1. All contractors, vendors, and consultants requesting to do business with the City must submit an Equal Opportunity Policy Statement before the execution of the contract.
2. All City contractors, vendors, and consultants with contracts of \$25,000 or more (or less) if required by another governmental agency) must abide by the requirements of the City's Contract Compliance Program. Emergency contracts may be exempt from this provision at the discretion of the City. Regardless of the value of the contract, all contractors, vendors, and consultants are subject to the City's Human Rights Ordinance, which is codified at Article 2 of the City Code.
3. Contracting departments are responsible for assuring that City contractors, vendors, and consultants are made aware of the City's Contract Compliance Program reporting responsibilities and receive the appropriate reporting forms. A notification of requirements will be included in any request for proposal and notice of bids.
4. Contracting departments are responsible for answering questions about contractor, consultant, and vendor compliance during the course of the contract with the City.
5. All contractors, consultants and vendors must refrain from the use of any signs or designations which are sexist in nature, such as those which state "Men Working" or "Flagman Ahead", and instead use gender neutral signs.
6. All contractors, consultants, and vendors must assure that their subcontractors abide by the City's Human Rights Ordinance. The City's protected classes are listed at Iowa City City Code section 2-3-1.

### **Suggested steps to assure Equal Employment Opportunities**

1. **Company Policy**  
Determine your company's policy regarding equal employment opportunities. Document the policy and post it in a conspicuous place so that it is known to all your employees. Furthermore, disseminate the policy to all potential sources of employees and to their subcontractors asking their cooperation. The policy statement should recognize and accept their responsibility to provide equal employment opportunity in all your employment practices. In regard to dissemination of this policy, this can be done, for example, through the use of letters to all recruitment sources and subcontractors, personal contacts, employee meetings, web page postings, employee handbooks, and advertising.
2. **Equal Employment Opportunity Officer**  
Designate an equal employment opportunity officer or, at a minimum, assign someone the responsibility of administering and promoting your company's Equal Employment Opportunity program. This person should have a position in your organization which emphasizes the importance of the program.
3. **Instruct Staff**

Your staff should be aware of and be required to abide by your Equal Employment Opportunity program. All employees authorized to hire, supervise, promote, or discharge employees or are involved in such actions should be trained and required to comply with your policy and the current equal employment opportunity laws.

#### 4. Recruitment

- (a) Let potential employees know you are an equal opportunity employer. This can be done by identifying yourself on all recruitment advertising as “as equal opportunity employer”.
- (b) Use recruitment sources that are likely to yield diverse applicant pools. Word-of-mouth recruitment will only perpetuate the current composition of your workforce. Send recruitment sources a letter annually which affirms your commitment to equal employment opportunity and requests their assistance in helping you reach diverse applicant pools.
- (c) Analyze and review your company’s recruitment procedures to identify and eliminate discriminatory barriers.
- (d) Select and train persons involved in the employment process to use objective standards and to support equal employment opportunity goals.
- (e) Review periodically job descriptions to make sure they accurately reflect major job functions. Review education and experience requirements to make sure they accurately reflect the requirements for successful job performance.
- (f) Review the job application to insure that only job related questions are asked. Ask yourself “Is this information necessary to judge an applicant’s ability to perform the job applied for?” Only use job-related tests which do not adversely affect any particular group of people.
- (g) Monitor interviews carefully. Prepare interview questions in advance to assure they are only job related. Train your interviewers on discrimination laws. Biased and subjective judgments in personal interviews can be a major source of discrimination
- (h) Improve hiring and selection procedures and use non-biased promotion, transfer and training policies to increase and/or improve the diversity of your workforce representation. Companies must make sure procedures for selecting candidates for promotion, transfer and training are based upon a fair assessment of an employee’s ability and work record. Furthermore, all companies should post and otherwise publicize all job promotional opportunities and encourage all qualified employees to bid on them.

Below for your information is a copy of Section 2-3-1 of the Iowa City Code of Ordinances which prohibits certain discriminatory practices in employment as well as a sample policy. Please note that the protected characteristics include some not mandated for protection by Federal or State law. As a contractor, consultant or vendor doing business with the City of Iowa City you are required to abide by the provisions of the local ordinance in conjunction with your performance under a contract with the City.
